The first ever NCBA Swing into Spring Showcase was nothing short of a success! With 11 teams competing in a two and a half day showdown there was tons of excitement and tough competition throughout the event! The weather was cool but that didn't stop the teams from having some great match ups like Idaho State taking a close win over long time World Series contender Utah State and CMU taking a W for one of their conference match ups against Northern Colorado! We are thankful that we had such an amazing turn out for the first time putting on an event like this and look forward to expanding in the future. Good luck to all of the participating teams on the remainder of their seasons!
