The 2019 NCBA Spring Training Showcase opened with a bang! With 14 teams competing in Week 1, there was tons of excitement and tough competition throughout the entire week! It was a rocky week weather wise but we managed to play nearly 30 games in 6 days! The weather was cool but that didn't stop the teams from having some great match ups like USF taking down the reigning champs Penn State DI as well as Penn State DI taking a tough pitchers duel against CMU earlier on in the week. Off the field, teams enjoyed the Spring Break atmosphere in Tampa at The Press Box for team nights on Wednesday as well as the other sponsors like Hooters and Duke's Brewhouse. Teams hit the beaches, Top Golf, MLB Spring Training games and the local Strawberry Festival on their days off. The staff is looking forward to the upcoming week with the largest amount of teams for the month starting up on Sunday!
