Week 3 of the 2019 NCBA Spring Training Showcase has wrapped up and it has been another excellent week of competition. With the 13 teams competing in exactly 30 games during Week 3, there was no shortage of amazing baseball being played here in Plant City, FL! Teams were able to take advantage of being in Florida for their break by heading to The Press Box to catch some March Madness games and grab a bite to eat. Our teams were also able to hit MLB Spring Training games and Top Golf on their off days. We cannot believe we are heading into our fourth and final week of the showcase but are excited to see what these last few teams bring to the diamond over the next few days!
