Week 4 of the 2019 NCBA Spring Training Showcase has come to an end and with that so has our east coast showcase! With the 6 teams competing in exactly 14 games during Week 4, we were able to round out our month long event here in Tampa!

Teams were ecstatic about the beautiful weather during this week and most spent a day or two out in Clearwater. Our teams were also able to hit Press Box for some food after games and Top Golf on their off days. Week 4 was no exception, there were some tight games and even a conference match up and with the event coming to a close, we had 55 teams play 124 games in roughly 4 weeks here in Plant City, FL.
